COMMUNITY LINE DANCE MUSIC VIDEO

Join in Albany's largest community line dance and feature in a music video to be screened at the City of Albany New Year's Eve 2025 event in ANZAC Peace Park. The music video is being created by non-profit arts company, Breaksea and features music by locally grown Evan Ayres with production by Flood the Moon. The easy and fun dance will be choreographed by a team of local dance leaders and is a great way to mark the start of Albany 2026. Join us for filming on Saturday 25 October 2025, 3.30pm at Albany Entertainment Centre.

Register early at www.breaksea.org/breaksealinedancing and receive an instructional video. Community groups can also request a one off workshop to learn from our team of line dance leaders.
